EUCALYPTUS			

"Free of Chaff" means that we have separated from the seed the chaff with which it is usually sold. The amount of chaff for which you have been paying varies with variety and season.

TREE AND SHRUB SEEDS

EUCALYPTUS—Continued

oz. ¼ lb. lb.

Sometimes the chaff is only 50% of the total but it generally runs more. We have varieties which run 15½ ozs. chaff and ½ oz. seed per pound. Considering that varieties marked "Free of Chaff" are over 98% pure seed, we know that our prices are very reasonable.
